

ID CARD PROCEDURE

To obtain your Greensburg Firefighter Identification card you will need to complete the gold questionnaire (located behind this page). After you have completed all of the information, you will take it to the Aerobic Center (526 New Alexandria Road, Greensburg, PA 15601) and tell the person working the front desk you are there to have a Greensburg Firefighter ID card made. They will keep your questionnaire and then take your picture. You will receive your 2 ID cards in a timely manner. One card should be carried on your person and the other should be carried in your turnout gear.
